

The Wilkins Group's President, Tomeka Herod, was appointed by Texas Governor Greg Abbott to the Texas Medical Board (TMB) in April 2020. The role primarily entails reviewing investigations based on complaints filed against physicians; and exercising authority to cancel, revoke, suspend, or otherwise limit the license of any physician as well as mandating state statutes. Herod serves as a public member on the TMB along with a panel of expert doctors and has support of a full time TMB staff of attorneys and knowledgeable support panels that participate to explain medical terminology. The TMB consists of 19 members (9 public and 10 professionals in the medical field.) Its mission is to protect and enhance the public's health, safety and

welfare by establishing and maintaining standards of excellence used in regulating the practice of medicine and ensuring quality health care for the citizens of Texas through licensure, discipline and education.
